

Peg Nielsen

SVP - Healthcare Vendor Finance

My name is Peg Nielsen, SVP - Healthcare Vendor Finance at FPG. With over 25 years in equipment financing, I specialize in helping healthcare providers and vendors secure flexible solutions that drive real growth.

Before joining FPG, I built trusted relationships across the medical, veterinary, and wellness markets—simplifying the financing process and supporting stronger sales outcomes. I bring that same high-touch, strategic mindset to every partnership.

At FPG, I combine deep industry knowledge with a tech-enabled platform and access to 25+ strategic funding partners. Whether it's crafting vendor programs or supporting practice expansions, I'm here to **help you grow**.

Frequently Asked Questions

What types of equipment can be financed through Financial Partners Group?

We provide financing solutions for a wide range of equipment, including medical, veterinary, wellness, and other related products.

How quickly can I access funds with a Working Capital Loan?

Our working capital loans are designed for speed and efficiency. Upon approval, funds can be disbursed within 24 hours, providing you with fast access to the capital you need to grow your business.

What documents are required for the financing process?

Documentation requirements may vary based on specific needs. Generally, we require a credit application and an equipment quote for almost all transactions. Please contact your account manager for more information.

What sets FPG apart from other lenders?

We are a direct lender with over 25 strategic partnerships dedicated to helping us find the best financing for our customers. We distinguish ourselves through our human-first approach, transparent processes, and dedication to long-lasting partnerships.

Can I choose the repayment terms for my equipment purchase?

Yes. We understand each business has unique needs. We work with you to customize repayment terms that align with your cash flow and budgeting needs, including deferred payments, early buy-out options, and terms out to 84 months

Is there a minimum or maximum loan amount?

Loan amounts are tailored to your specific needs. Whether you require a small equipment loan or substantial funding for a larger project, we strive to accommodate all levels of funding for your business.

How can I stay updated on the status of my credit application?

Our team will provide regular updates on the status of your credit application.

How can I get in touch with my account manager?

Your account manager's contact information is below. Please do not hesitate to reach out to them with any questions about your account, or future financing needs.
